

Due to expansion and growth Emma Plant Veterinary Hospital are seeking an additional RVN to join our team in Killoe Co Longford. We are a forward thinking small animal hospital with a busy and varied surgical and medical caseload. We have a strong focus on always trying to improve care for patients and owners. The ideal candidate will have interest in all aspects of nursing from operations to client care and communication. Experience is an advantage but new graduates are very welcome as full mentoring and support is given. A willingness to learn and a good sense of humour is a must. For the right candidate this role can be tailored to provide the right work life balance. Fulltime and part time is available. No OOH or on call. Saturdays limited to holiday cover and paid accordingly. Salary €25-€32k DOE, VCI and IVNA paid. CPD encouraged and allowance given. For more information or to send CV please send to eplantvet@gmail.com
