

Veterinary Specialists Ireland is looking to recruit Registered Veterinary Nurses to join our growing RVN team. The nursing team work alongside our various referral and emergency clinicians and specialists and are assisted by patient care assistants, CCSD theatre technician, administration staff and cleaners. We have positions available for rotating RVN's or for those with more experience, roles in surgery, internal medicine and ECC. Depending on department, duties will include surgical nursing, medicine and ECC nursing, diagnostic imaging (including x-ray, ultrasound, CT, MRI, fluoroscopy) and medical procedures in accordance with a structured rota. Ongoing in-house CPD is provided, and external CPD is encouraged and funded. The positions are full time, 40 hours per week, with no OOH or reception duties. New Nurses will be supported by experienced staff members, many of which have additional post-graduate qualifications.

The ideal candidate will be compassionate, with a love for animals, have excellent clinical standards and enjoy working in a dynamic team environment that strives to provide the best and newest treatments for our patients. Benefits include:

- Industry leading salary
- Paid VCI and VDS fees
- Free in-house CPD
- €500 annual CPD allowance (up to fully funded certificates and other qualifications beneficial to the hospital)
- Free uniforms
- Cost price veterinary care
- Access to PRSA
- Annual salary reviews

If you think you would like to join our RVN team or to arrange an informal chat or meet the team please email turlough@vetspecialists.ie
